Please fill out this Guest List with names of all your invited guests you want included in your package. You do not have to wait for your guests to RSVP as Arlington Skatium will only use this guest list to check in all of your guests at the front door. Do not add adults to this list unless you are willing to pay for them at your party package price. This will help us admit your party guests in a timely manner. Parents of the birthday child skate for FREE, so do not add your names to this list. (NO SUBSTITUTIONS PLEASE)

**Please return this sheet to the Arlington Skatium 48 hours prior to your party. Fax (817) 784-6481 or email your list to skatium@gmail.com.**

Thank you for choosing to have your party at the Arlington Skatium. We look forward to making this a great experience for your special day!
